EARRING WORKSHOP: Silver & Beads

Saturdays September 18th & 25th

9:30-12:00

Cost: \$70.00

Lab Fee: \$20.00

16 years and up, no experience necessary

Students will learn basic wire working skills and create several pairs of dangle earrings. These skills will allow students to continue making pieces on their own. Several design possibilities will be introduced. A pair of round nose pliers and needle nose pliers would be helpful to bring to class, but not necessary.

The Lab fee includes a selection of various genuine gemstone and glass beads, along with the metal findings needed. Please feel free to bring you own beads. Come learn some wire working skills and make some beautiful earrings
